## ALLEGED VIOLATIONS

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation No. Nature of Noncompliance

**1. The defendant shall refrain from any unlawful use of a controlled substance:**

On August 30, 2016, Mr. Arthur tested positive for marijuana use. When questioned about the sample, the offender initially denied use, however, during a subsequent conversation, he admitted he smoked marijuana with his cousin. He indicated he took a "couple of hits" from a "joint."

**Compliance with Supervision Conditions and Prior Interventions:**

Michael Arthur is a resident of Montgomery County, Tennessee, and has been on supervision since May 6, 2016. He is scheduled to terminate supervision on May 5, 2019. Mr. Arthur resides with his mother and is employed Rainbow Incorporated as a packer.

As noted above, Mr. Arthur tested positive for marijuana use. Although he initially denied use, he has recently admitted he smoked marijuana. Mr. Arthur will be referred for a substance abuse assessment to determine if he is in need of treatment. He will continue to be monitored by random drug testing.

**Probation Officer Recommendation:**

At this time, the probation officer is requesting that no action be taken by the Court, so that Mr. Arthur can participate in substance abuse treatment if deemed necessary by the treatment provider. It is recommended that Mr. Arthur continue on supervised release. Any additional violations will be reported to the Court in a timely manner.

The U.S. Attorney's Office has been advised of the offender's noncompliance and is in agreement with the recommendation.
